1) - Best Interest? What is defined Best Interest
- 12 - Factors - Not being used in Court!
- statistics - Court and all of us see in everyday life - children growing up with only One Parent 90 Percent w/out Father! NO physical Custody
- Everyones aware but Not Concerned enough to do anything about it!
- Pope & President want to to know what can they do to stop or decrease divorces or marriages to Fail! Make both the Parents responsible! use Some common sense TOO!
- The more responsible parent? System
- Wake up People its Not about the children But its a 500, billion dollar divorce Industry Thats 2/3 of court Cases is Family Law! Buy we all have to be pretty Education to Figure out why everyone in the court system isnt going to work to hard to change anything that is benifitting them! What about the children & 90% percent of the time w/out the or the Fathers - So what about them?!
- ~~Pa the~~ Father ~~more responsible bec~~ 90% of the time pays child support!
The mother ~~get Full physical Cust~~ Files for divorce and recieves 90% chi Full physical custody 90% percent of the time!
Who is more responsible?
The mother does get to be with the child more then Father when she chooses?

2) Let me remind you its a benifit to be with your child Not a Job!

No Laught there has to be Faught! marriages! ~~my~~ Exwife was going out on ~~home~~ overnight
