To Whom it may Concern:
I would like to let the people know I support the following
HB 5186
HB 5187
HB 5188
My mother Emma J. England died this past June she was 83 its to late for her. But please pass these Bills they will help the old people that are left and it will keep the estates safe. My youngest sister Pamela L. England has done pretty much what ever she wants with my mother personal stuff. Thank God for probate or she would have sold the farm. She was suppose to let the rest of the kids know what she was doing She didn't. She also changed things in the Will. All heirs of a Will should have a Copy.
Thank You
