Hi my name Cassandra
Lithuanski I'm a teen parent
with two children Age 3 + 1mth
I got preg At Age 15. I did not
know all that much about Raising
a child, I did not live with my
Parent so I didn't have any support
CSS gave me Support, that can help me
out, I was going threw so many different
Change I did not know what was going
on I told them, Well the worker I
had at the time, She Brought me out
Books And movie And what to it specked,
I also did not have my licese so I needed
way to Get to my doctor aptment, they
helped me out and help me out with
other Resource that can also help me
to, I in Joy this program its help me And
my family out in many different way I
am very glad that there a program like
this Bic when my parent were growing up
they did have anyone to help them,
this program has gave me stregnth,
they help you as much as they can
and anyway they can. give you Support
that you need,

There goal is to make sure we are doing good. And I like that B/c I'm a teen parent I need someone to still help me. in ways. I Have strongled a lot over thee year But they try as hard as they can to help you get Back on ~~[illegible]~~ your feet. And its nice that you have someone to talk to B/c you have to little children they don't under stand what your going threw And how you feel And some day its very hard.
