# THE HUMAN SOLUTION

The Human Solution is a non-profit grass roots organization. We are a diverse group of concerned citizens united in common goals of ending prohibition, educating the community, and supporting those affected by the War on Drugs.

## The Solidarity Ribbon

Made with love and aggression, this simple symbol of solidarity supports all those impacted by the "War on Drugs", POWs, defendants, patients, caregivers, and the community.
We are one voice!
Wear it Proudly!

**Each Solidarity Ribbon is unique and hand made by our members.**

Show your support in the courtroom, in a meting, or just everyday activities.

***Take a stand, start the conversation, educate someone, and make a difference.***

***Spread awareness !***

## Court support is the single most important thing an individual can do to end prohibition!

Most court rooms are empty, but when Solidarity Ribbon wearing supporters fill the court rooms of medical cannabis cases, our presence and support is noted every time! Every prosecutor has been affected, many even requesting for the ribbon to be removed, yet is has never been granted because of it's simplicity.

### EFFECTS OF COURT SUPPORT:

- Catrina Falbo: case dismissed; judge mentions supports
- David Rios: acquitted; judge mentions supporters
- Tom Kikuchi: judge grants additional time before carrying out sentence; mentions supporters
- Joe Grumbine: in landmark trial, judge recuses himself and guilty verdict is overturned; mistrial (court support influences outcome greatly)
- Jason Andrews: hung jury; court support had profound effect on defendant and juror who stayed strong and exercised the POWER OF ONE!
