I strongly support a yes vote in the committee on HCR 12 (Rep. Howell) A concurrent resolution to oppose Canada's consideration of placing a permanent high-level radioactive waste storage site on the shores of Lake Huron, to urge the United States Congress to take every legal action possible to prevent the construction of any underground high-level nuclear waste repository in the Great Lakes basin, and to urge the Canadian government to prohibit a high-level nuclear waste repository anywhere in the Great Lakes basin.
