and adjusting the subtotals, totals, and section 201 accordingly, and renumbering the remaining sections.

2. Amend page 3, following line 21, by inserting:

"DEPARTMENT OF STATE POLICE

Sec. 301. (1) Funds appropriated in part 1 for bias and de-escalation training must be used by the Michigan commission on law enforcement standards to conduct or contract for research and analysis to identify training gaps and begin to adapt, adopt, or develop curriculum standards for training in the following areas or other areas the commission determines to be substantially similar:

- (a) De-escalation techniques.
- (b) Implicit bias training.
- (c) Procedural justice training.
- (d) Mental health resources and support available for law enforcement officers.

(2) The curriculum standards for training on de-escalation techniques may include any of the following:

(a) Employment of verbal and physical tactics to diffuse volatile or potentially violent situations, including when they are safe and feasible, with an emphasis on using communication, negotiation, and de-escalation techniques.

(b) Level of force that is an objectively reasonable response to an identified and articulable threat or resistance that is based on information available at the time of the incident and that requires constant reevaluation as circumstances dictate and allow.

(c) Training that provides law enforcement officers with awareness and recognition of indicators of physical and mental disabilities, mental health issues, developmental disabilities, and substance abuse issues with an emphasis on effective communication and de-escalation techniques.

(d) As appropriate with the nature and immediacy of the threat to public safety, the use of distance, cover, and time when approaching and managing critical incidents, in order to help create a safety zone between the law enforcement officer and subject, to afford the officer more time to react to the circumstances.

(e) A law enforcement officer's responsibility to intervene in a situation if another law enforcement officer's actions indicate that officer has lost self-control or use of force is not objectively reasonable to the level of resistance encountered.

(f) Other evidence-based approaches, found to be appropriate by the commission, that enhance de-escalation techniques and skills.

(3) An individual seeking to become a law enforcement officer or a person who is already a licensed law enforcement officer may meet the standards for implicit bias training by completing an implicit bias training course approved by the commission.

(4) Funds appropriated in part 1 for bias and de-escalation training must be distributed by the Michigan commission on law enforcement standards to law enforcement agencies, through a grant program, for bias and de-escalation training for law enforcement officers. As a condition of receiving funding, law enforcement agencies must adopt a written policy stating that each of the law enforcement officers in its employ will utilize de-escalation techniques in his or her interactions with citizens to the extent that it is reasonable and safe as possible.

(5) The commission shall make a model written policy meeting the requirements of subsection (4) available on its website. A law enforcement agency may fulfill its duty under subsection (4) by adopting the written policy made available under this subsection.

(6) As used in this section:

(a) "Curriculum" means a structure of educational standards that identifies behavioral objectives and outcomes.

(b) "De-escalation technique" means a method or methods intended to diffuse potentially volatile or violent situations with the goal of reducing the level of subject control required to resolve the situation in an objectively reasonable and safe manner.

(c) "Implicit bias training" means an evidence-based training that provides instruction regarding the bias implicit in all human beings and how to help ensure unconscious bias does not inhibit fair and impartial law enforcement.

(d) "Procedural justice training" means training based on the principles of treating people with dignity and respect, giving citizens a voice during encounters, being neutral in decision making, and conveying trustworthy motives while emphasizing law enforcement's role in the context of the larger criminal justice system.

(e) "Training gap" means identified behavioral or performance deficiencies caused by a lack of skill or knowledge.

(7) The unexpended funds appropriated in part 1 for bias and de-escalation training are designated as a work project appropriation. Unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditures under this section until the project has been completed. The following is in compliance with section 451a of the management and budget act, 1984 PA 431, MCL 18.1451a:

(a) The purpose of the project is for bias and de-escalation training for law enforcement officers.

(b) The project will be accomplished by utilizing state employees, contracts with vendors, or local partners.

(c) The estimated cost of the project is \$35,000,000.00.

(d) The tentative completion date is September 30, 2026." and renumbering the remaining sections accordingly.

"DEPARTMENT OF STATE POLICE

Sec. 301. (1) Funds appropriated in part 1 for jail diversion grant program must be distributed by the Michigan commission on law enforcement standards and the department of state police, through a grant program, to local units of government to establish or expand behavioral health jail diversion programs in coordination between community agencies and law enforcement agencies.

(2) Priority must be given to local units of government in counties without an urbanized area of at least 50,000 people and to programs that adhere to best practices.

(3) Each local unit of government receiving a grant under this section must provide a copy of a memorandum of understanding between the involved community agencies and law enforcement agencies that delineates how the agencies will be coordinated.

(4) The Michigan commission on law enforcement standards and the department must create an application process with selection criteria for grants and a grant dispersal process. The Michigan commission on law enforcement standards and the department must post the application process, selection criteria, and grant dispersal process on the department's website.

(5) The Michigan commission on law enforcement standards and the department must seek federal authority as outlined under section 9813 of the American rescue plan act of 2021, Public Law 117-2, to utilize enhanced federal Medicaid matching funds for the operation of eligible programs receiving grants under this section as long as that funding is available.

(6) Each year, a local unit of government that receives a grant under this section must cooperate with an organization, selected by the department, to describe and evaluate the activities and results of the local unit of government related to grant dollars disbursed under this section. The Michigan commission on law enforcement standards and the department may utilize a portion of funding appropriated to the jail diversion fund to contract with an independent organization to fulfill this requirement.

(7) The evaluating organization must determine the specific metrics required in the report and notify the local units of government at the time of the first grant disbursement.

(8) Not later than September 30, 2022 the Michigan commission on law enforcement standards and the department must compile and submit an annual report to the senate and house appropriations subcommittees on state police, the senate and house fiscal agencies, the senate and house policy offices, and the state budget office, and publish a copy of the report on its internet website. The report must contain all of the following for the immediately preceding fiscal year:

(a) The name of each local unit of government that received a grant and the total amount of the grant.

(b) Details about any subgrant disbursed by each local unit of government that received a grant under this section.

(c) An analysis of the activities undertaken by grant recipients as part of their project.

(d) An appropriate summary of metrics reported by grant recipients.

(9) The responsibilities of the Michigan commission on law enforcement standards and the department under this section include all of the following:

(a) Create the jail diversion grant program, review grant applications, and distribute grants.

(b) Determine appropriate staffing and resource allocation for grant review, administration, and other duties.

(c) Manage external evaluation and ensure that metrics are collected by grant recipients in order to determine program results and inform best practices.

(d) Provide technical assistance and coordination, and facilitate sharing of best practices among grant recipients.

(10) The unexpended funds appropriated in part 1 for jail diversion grant program are designated as a work project appropriation. Unencumbered or unallotted funds shall not lapse at the end of the fiscal year and shall be available for expenditures under this section until the project has been completed.
