## FELICIA A BRABEC

State Representative

House Health Policy Committee

Representative Julie Rogers, Chair

House Office Building

Chair Rogers and Members of the Committee:

Pursuant to Rule 34 of the Michigan House of Representatives, the House Health Policy Committee (Committee) created the Subcommittee on Behavioral Health Policy Subcommittee (Subcommittee). On May 25, 2023 the Committee referred House Bills 4616 and 4617, to the Subcommittee for its review.

The Subcommittee met on June 7, 2023. A record of this meeting has been filed with the Subcommittee records. I request that this record also be made part of the permanent record of the House Health Policy Committee. During the meeting, Subcommittee members heard testimony from the bill sponsors and from several stakeholders in support of and a few stakeholders in opposition to the bills.

With the requisite number of votes in the affirmative, the Subcommittee voted that the bills be returned to the full Committee, without amendments, and with the recommendation that the bills be reported to the full House.

Sincerely,

Felicia A Brabec, Chair

Behavioral Health Policy Subcommittee
