1. Amend page 341, line 17, by striking out all of Section 952 and inserting

"Sec. 952. (1) The funds appropriated in part 1 for the economic vitality incentive program are to be used for grants to cities, villages, and townships such that each city, village, or township that received a payment under section 950(2) of 2009 PA 128 greater than \$4,500.00 shall receive 72.68289% of its total payment received under section 950(2) of 2009 PA 128, rounded to the nearest dollar. For the purposes of this subsection, any city or village that according to the 2010 federal decennial census is determined to have population in more than 1 county will be

treated as a single entity when determining the payment received under section 950(2) of 2009 PA 128.

(2) The funds appropriated in part 1 for the county incentive program are to be used for grants to counties such that each county shall receive an amount equal to the amount by which the balance in its revenue sharing reserve fund under section 44a of the general property tax act, 1893 PA 206, MCL 211.44a, for the county's most recent fiscal year that ends prior to the January 1 of the state's fiscal year is less than the amount calculated under section 44a(13) of the general property tax act, 1893 PA 206, MCL 211.44a, for the county fiscal year that begins in the state's fiscal year. The amount calculated under this subsection shall be adjusted as necessary to reflect partial county fiscal years and prorated based on the total amount appropriated for distribution to all eligible counties."

"(5) Category 3, unfunded accrued liabilities, requires each eligible city, village, township, or county to certify by June 1, or the first day of a payment month for this category, that it has complied with one 1 of the following:

(a) An eligible city, village, township, or county with unfunded accrued liabilities as of its most recent audited financial report related to employee pensions or other post-employment benefits shall submit a plan to lower all unfunded accrued liabilities. The plan shall include a listing of all previous actions taken to reduce its unfunded accrued liabilities with an estimated cost savings of those actions; a detailed description of how it will continue to implement and maintain previous actions taken; and a listing of additional actions it could take. If no actions have been taken to reduce its unfunded accrued liabilities, it shall provide a detailed explanation of why no actions have been taken and a listing of actions it could implement to reduce unfunded accrued liabilities. Actuarial assumption changes and issuance of debt instruments shall not qualify as a new proposal. The department shall develop a certification process and method for cities, villages, townships, and counties to follow.

(b) Any city, village, township, or county that does not have unfunded accrued liabilities as of its most recent audited financial report related to employee pensions or other post-employment benefits shall certify to the department of treasury by June 1, or the first day of a payment month for this category, that it does not have unfunded accrued liabilities. The certification shall include an explanation of why the city, village, township, or county does not have unfunded accrued liabilities. The certification shall include an explanation of why the city, village, township, or county does not have unfunded accrued liabilities. The department shall develop a certification process and method for cities, villages, townships, or counties to follow."
