**Complete to: 12/09/14**

## **BACKGROUND & SUMMARY OF PROPOSED RULES SUBMITTED TO JCAR**

2012-120-LR would amend rules to adopt, by reference, the 2012 edition of the National Fire Protection Association's "Life Safety Code", thereby updating the current reference to the 2006 edition, which would apply, with Michigan-specific amendments, to hospitals, nursing homes, homes for the aged, hospice residences, psychiatric hospitals and units, and freestanding surgical outpatient facilities. Moreover, 2012-120-LR would correct references to agencies, agency addresses, rule citations, adopted standards, and prices for publications of adopted standards.

## **FISCAL IMPACT OF PROPOSED RULES**

The rules amended by 2013-024-LR would not have a significant fiscal impact on the state or local units of government.
