Rule Set No.: 2015-006 LR
Department: Licensing and Regulatory Affairs
Agency: Bureau of Professional Licensing
Submitted to JCAR on: 02/08/2016

Analysis Complete to: 04/06/2016

BACKGROUND AND SUMMARY OF PROPOSED RULES

2015-006 LR would add several rules in order to implement the licensure of pharmacy technicians pursuant to 2014 PA 285. Specifically, the rules pertain to codifying standards for licensure application and examination, licensure by endorsement, approved training programs, licensure renewal and relicensure, human trafficking training, continuing education and examination, continuing education providers, and certain delegated functions.

FISCAL IMPACT OF PROPOSED RULES

The rules added by 2015-006 LR would not have a significant fiscal impact on the department as the requirement to establish a licensure program and the amounts of the associated fees are imposed pursuant to statute; the rules merely establish the specific procedures and stipulate program standards.
