<p>Sec. 218. The departments and agencies receiving appropriations in part 1 shall prepare a report on out-of-state travel expenses not later than January 1 of each year. The travel report shall be a listing of all travel by classified and unclassified employees outside this state in the immediately preceding fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The report shall be submitted to the senate and house appropriations committees, the senate and house fiscal agencies, and the state budget director. The report shall include the following information:</p> <p>(a) The dates of each travel occurrence.</p> <p>(b) The total transportation and related costs of each travel occurrence, including the proportion funded with state general fund/general purpose revenues, the proportion funded with state restricted revenues, the proportion funded with federal revenues, and the proportion funded with other revenues.</p>	<p>Sec. 17-218. of law enforcement partners that the department communicates with and to maintain the ability to exchange law enforcement information with the international justice and public safety network.</p> <p>(e) The establishment and use of the electronic warrant system shall further increase the time and effort saved by the department and other law enforcement agencies by eliminating the redundant entry of information required to request, approve, and issue warrants for arrest, including information exchanged with prosecutor, courts, LEIN, criminal history databases, the state forensic laboratory, and the state court administrative office.</p>	<p>2014-2015 to fiscal year 2015- 2016.</p> <p>(b) Aviation patrol hours shall increase by 30% and the helicopter acquired under fiscal year 2014-2015 appropriations shall be used to provide patrol segments in the city of Detroit 5 times per week, allowing existing secondary department-owned helicopters to provide similar patrol service to areas that may include the cities of Flint, Pontiac, and Saginaw and shall reduce the number of occasions when requests for helicopter support were unable to be met from the number of 72 in fiscal year 2012-2013 to lower than 50 for fiscal year 2015-2016.</p> <p>(c) Motor carrier officer vehicle inspections shall increase by no less than 12%.</p> <p>(d) The conversion of LEIN language to XML shall result in an increase in ease in the number of law enforcement partners that the department communicates with and to maintain the ability to exchange law enforcement information with the international justice and public safety network.</p> <p>(e) The establishment and use of the electronic warrant system shall further increase the time and effort saved by the department and other law enforcement agencies by eliminating the redundant entry of information required to request, approve, and issue warrants for arrest, including information exchanged with prosecutor, courts, LEIN, criminal history databases, the state forensic laboratory, and the state court administrative office.</p>	<p>2014-2015 to fiscal year 2015- 2016.</p> <p>(b) Aviation patrol hours shall increase by 30%
