Overview

The Department of Licensing and Regulatory Affairs (LARA) is the state's primary regulatory entity. The department oversees regulation across a variety of sectors, including commercial and occupational activities, construction and fire safety, health care and human services, public utilities, liquor control, and marijuana. Units within LARA also conduct and adjudicate administrative hearings, oversee rules promulgation, provide support for the Michigan Indigent Defense Commission and the Unarmed Combat Commission, and administer multiple grant programs, including Michigan Indigent Defense Commission grants.

For major budget changes listed below the quartered appropriations are annualized for comparison purposes.

1. Michigan Indigent Defense Commission

Executive includes an additional \$31.4 million GF/GP and \$100,000 in restricted funding for Michigan Indigent Defense Commission grants, to fund the state's projected share of indigent defense costs in FY 2021-22. House transfers the Michigan Indigent Defense Commission line item and the Michigan Indigent Defense Commission Grants line item (and all applicable funding) to the Judiciary budget.
