Requires DCH to maintain criteria for incorporation of a city, county, or regional substance abuse coordinating agency into a local CMH authority. Allows DCH to make accommodations and adjustments in formula distribution to coordinating agencies if all of the following are met: funding not exceeding \$75,000 is provided to any coordinating agency for administrative costs incurred by incorporating into a CMH authority, accommodations and adjustments do not favor coordinating agencies who voluntarily elect to integrate with CMH authorities, and accommodations and adjustments do not negatively affect other coordinating agencies.				
Sec. 468. To foster a more efficient administration of and to integrate care in publicly funded mental health and substance abuse services, the department shall maintain criteria for the incorporation of a city, county, or regional substance abuse coordinating agency into a local community mental health authority that will encourage those city, county, or regional coordinating agencies to incorporate as local community mental health authorities. If necessary, the department may make accommodations or adjustments in formula distribution to address administrative costs related to the maintenance of the criteria under this section and to the incorporation of the additional coordinating agencies into local community mental health authorities provided that all of the following are satisfied: (a) The department provides funding for the administrative costs incurred by coordinating agencies incorporating into community mental health authorities. The department shall not provide more than \$75,000.00 to any coordinating agency for administrative costs. (b) The accommodations or adjustments do not favor coordinating agencies with local community mental health authorities.
