Community College Tuition and Fee Restraint and Annual Rate Report				
Sec. 217b. (1) Each community college that receives an appropriation in section 201 shall report to the center by the last business day of August of each year the tuition and mandatory fees paid by a full-time in-district student and a full-time out-of-district student as established by the community college governing board for the current academic year. This report should also include the annual cost of tuition and fees based on a full-time course load of 30 credits. This report must also specify the amount that tuition and fees have increased for the community college from the prior academic year. Each community college shall also report any revisions to the reported current academic year tuition and mandatory fees adopted by the community college governing board to the center within 15 days of being adopted. The center shall provide this information and any revisions to the house and senate fiscal agencies and the state budget director.  (2) Each community college that receives an appropriation in section 201 shall certify to the state budget director by the last business day of August that its board will not adopt an increase in tuition and fee rates for in-district students for the 2023-2024 academic year that is greater than 4.5% or \$205.00, whichever is greater. As used in this subsection: (a) "Fee" means any board-authorized fee that will be paid by more than 1/2 of all in-district students at least once during their enrollment at a community college. A community college increasing a fee that applies to a specific subset of students or courses shall provide sufficient information to prove that the increase applied to that subset will not cause the increase in the average amount of board-authorized total tuition and fees paid by in-district students in the 2023-2024 academic year to exceed the limit established in this section. (b) "Tuition and fee rate" means the average of full-time rates paid by a majority of students in each class, based on an unweighted average of the rates authorized by the community college board and actually charged to students, deducting any uniformly rebated or refunded amounts, for the 2 semesters with the highest levels of full-time equated in-district enrollment during the academic year.
