CURRENT LAW	EXECUTIVE	SENATE	HOUSE	CONFERENCE	
Line Item Spending Plans Report					
Sec. 232. The department shall provide the approved	Striking current law.				
spending plan for each line item receiving an					
appropriation in the current fiscal year to the senate					
and house appropriations subcommittees on the department budget and the senate and house fiscal					
agencies within 60 days after approval by the					
department but not later than January 15 of the					
current fiscal year. Compliance with this section is not					
met unless a line-item appropriation name is included					
in all places that a line-item appropriation number is					
listed. The spending plan shall include the following					
information regarding planned expenditures for each					
category: allocation in the previous period, change in					
the allocation, and new allocation. The spending plan					
shall include the following information regarding each					
revenue source for the line item: category of the fund					
source indicated by general fund/general purpose,					
state restricted, local, private, or federal. Figures					
included in the approved spending plan shall not be					
assumed to constitute the actual final expenditures,					
as line items may be updated on an as-needed basis					
to reflect changes in projected expenditures and					
projected revenue. The department shall supplement					
the spending plan information by providing a list of all					
active contracts and grants in the department's contract system. For amounts listed in the other					
contracts category of each spending plan, the					
department shall provide a list of all contracts and					
grants and amounts for the current fiscal year, and					
include the name of the line item and the name of the					
fund source related to each contract or grant and					
amount. For amounts listed in the all other costs					
category of each spending plan, the department shall					
provide a list detailing planned expenditures and					
amounts for the current fiscal year, and include the					
name of the line item and the name of the fund source					
related to each amount and expenditure.

(2) Notwithstanding any other conditions or	Striking current law.				
requirements for direct appropriation grants, the					
department shall perform at least all the following					
activities to administer the grants described in					
subsection (1):					
(a) Develop a standard application process,					
grantee reporting requirements, and any other					
necessary documentation including sponsorship					
information as specified under subsection (3).					
(b) Establish a process to review, complete, and					
execute a grant agreement with a grant recipient.					
Grant agreements shall be executed by the					
department only if all necessary documentation					
has been submitted and reviewed.					
(c) Verify to the extent possible that a grant					
recipient will utilize funds for a public purpose that					
serves the economic prosperity, health, safety, or					
general welfare of the residents of this state.					
(d) Review and verify all necessary information to					
ensure the grant recipient is reasonably able to					
execute the grant agreement and perform its					
fiduciary duty and is in compliance with all					
applicable state and federal statutes. The					
department may deduct the cost of background					
checks performed as part of this verification from					
the amount of the designated grant award.					
(e) Establish a standard timeline to review all					
documents submitted by grant recipients and					
provide a response within 45 business days					
whether submitted documents by a grant recipient					
are sufficient or in need of additional information.

(4) An executed grant agreement under this	Striking current law.				
section between the department and a grant					
recipient shall include at least the following:					
(a) All necessary identifying information for the					
grant recipient, including any tax and financial					
information for the department to administer funds					
under this section.					
(b) A description of the project for which the grant					
funds will be expended, including tentative					
timelines and the estimated budget. No					
expenditures outside of the project purpose, as					
stated in the executed grant agreement, shall be reimbursed from appropriations in part 1.					
(c) Unless otherwise specified in department					
policy, a requirement that funds appropriated for					
the grants described in subsection (1) may be used					
only for expenditures that occur on or after the					
effective date of this act.					
(d) At the discretion of the department, an initial					
disbursement of 50% to the grant recipient upon					
execution of the grant agreement consistent with					
part II, chapter 10, section 200 of the Financial					
Management Guide.					
(e) A requirement that after the initial 50%					
disbursement, additional funds shall be disbursed					
only after verification that the initial payment has					
been fully expended, in accordance with the					
project purpose. The remaining funds shall be					
disbursed after the grantee has provided sufficient					
documentation, as determined by the department,					
to verify that all expenditures were made in					
accordance with the project purpose.					
(f) A requirement for reporting from the recipient to					
the department that provides the status of the project and an accounting of all funds expended by					
the recipient, as determined by the department.					
(g) A claw-back provision that allows the					
department of treasury to recoup or otherwise collect any funds that are declined, unspent, or otherwise misused.					

FY 2023-24	FY 2024-25				
CURRENT LAW	EXECUTIVE	SENATE	HOUSE	CONFERENCE	
(5) If appropriate to improve the administration or oversight of a grant described in subsection (1), the department may adopt a memorandum of understanding with another state department to perform the required duties under this section.	Striking current law.				
(6) A grant recipient shall respond to all reasonable information requests from the department related to grant expenditures and retain grant records for a period of not less than 7 years, and the grant may be subject to monitoring, site visits, and audits as determined by the department. The grant agreement required under this section shall include signed assurance by the chief executive officer or other executive officer of the grant recipient that this requirement will be met.	Striking current law.				
(7) All funds awarded shall be expended by the grant recipient, and projects completed, by September 30, 2028. If, at that time, any unexpended funds remain, those funds shall be returned by the grant recipient to the state treasury. If a grant recipient does not provide information sufficient to execute a grant agreement by June 1, 2024, funds associated with that grant shall be returned to the state treasury.	Striking current law.				
(8) Any funds that are granted to a state department are appropriated in that department for the purpose of the intended grant.	Striking current law.				
(9) The state budget director may, on a case-by-case basis, extend the deadline in subsection (7) on request by a grant recipient. The state budget director shall notify the chairs of the house and senate appropriations committees not later than 5 days after an extension is granted.	Striking current law.				
(10) The department shall post a report in a publicly accessible location on its website not later than September 30, 2024. The report shall list the grant recipient, project purpose, and location of the project for each grant described in subsection (1), the status of funds allocated and disbursed under the grant agreement, and the legislative sponsor, if applicable.	Striking current law.

School Success Partnership Program				
Sec. 450. (1) From the funds appropriated in part 1 for school success partnership program, the department shall allocate \$1,525,000.00 of TANF revenue by December 1 of the current fiscal year to support the Northeast Michigan Community Service Agency programming. The department shall require the following performance objectives be measured and reported for the duration of the state funding for the school success partnership program:  (a) Increasing school attendance and decreasing chronic absenteeism.  (b) Increasing academic performance based on grades with emphasis on math and reading.  (c) Identifying barriers to attendance and success and connecting families with resources to reduce these barriers.  (d) Increasing parent involvement.	from current law.			
(2) By July 15 of the current fiscal year, the Northeast Michigan Community Service Agency shall submit reports to the department on the number of children and families served and the services that were provided to families to meet the performance objectives identified in this section. The department shall distribute the reports within 1 week after receipt to the report recipients required in section 246 of this part.	(2) No changes from current law.

Homeless Programs Per Diem Rate				
Sec. 453. (1) From the funds appropriated in part 1 for homeless programs, the department shall allocate funds to the emergency shelter program to support efforts of shelter providers to move homeless individuals and households into permanent housing as quickly as possible. Funding provided shall be equal to or exceed the amount a provider would receive if paid a \$19.00 per diem rate. Expected outcomes are increased shelter discharges to stable housing destinations, decreased recidivism rates for shelter clients, and a reduction in the average length of stay in emergency shelters.	Sec. 453. (1) No changes from current law.			
(2) By March 1 of the current fiscal year, the department shall submit to the report recipients required in section 246 of this part a report on the total amount expended for the program in the prior 2 fiscal years, the total number of shelter nights provided, and the average length of stay in an emergency shelter.	(2) No changes from current law.			
Homeless Programs Funding  Sec. 454. The department shall allocate the full amount of funds appropriated in part 1 for homeless programs to provide services for homeless individuals and families, including, but not limited to, third-party contracts for emergency shelter services.	Sec. 454. No changes from current law.

Homeless Programs TANF Eligibility Reporting				
Sec. 455. As a condition of receipt of federal TANF revenue, homeless shelters and human services agencies shall collaborate with the department to obtain necessary TANF eligibility information on families as soon as possible after admitting a family to the homeless shelter. From the funds appropriated in part 1 for homeless programs, the department is authorized to make allocations of TANF revenue only to the homeless shelters and human services agencies that report necessary data to the department for the purpose of meeting TANF eligibility reporting requirements. Homeless shelters or human services agencies that do not report necessary data to the department for the purpose of meeting TANF eligibility reporting requirements will not receive reimbursements that exceed the per diem amount they received in fiscal year 2000. The use of TANF revenue under this section is not an ongoing commitment of funding.	Sec. 455. No changes from current law.			
Birth Certificate Fees for Homeless Individuals				
Sec. 456. From the funds appropriated in part 1 for homeless programs, the department shall allocate \$10,000.00 to reimburse public service agencies that provide documentation of paying birth certificate fees on behalf of category 1 homeless clients at county clerk's offices. Public service agencies shall be reimbursed for the cost of the birth certificate fees quarterly until this allocation is fully spent.	Sec. 456. No changes from current law.

Federal IV-E Claims for Foster Care Payments to Unlicensed Relatives				
Sec. 535. (1) From the funds appropriated in part 1 for foster care payments, the department shall allocate up to \$1,500,000.00 of private revenues from The New Foster Care Inc. to fund a 3-year culturally competent kinship placement, support, and licensing services pilot program in a county with a population between 1,200,000 and 1,300,000 according to the most recent federal decennial census and a county with a population over 1,500,000 according to the most recent federal decennial census based on the work conducted by A Second Chance Inc. The goal of the pilot program is to increase the kinship licensure rate and reduce the average length of stay for children in foster care with the intent to expand the program statewide, contingent on legislative appropriations. Efforts to reach this goal shall include the following:  (a) Locate appropriate kinship family for out-of-home placement of children.  (b) Provide support to kinship care providers and facilitate connections to programs and services to assist them in meeting the needs of children.  (c) Assist kinship care providers in meeting state foster parent licensing requirements.  (d) Support parents to expedite permanency planning.	Striking current law.			
(2) Subject to part 1 appropriations and pursuant to an annual evaluation, the department through legislative appropriations shall reallocate any savings and revenue stemming from program services that result in a reduction in the length of stay in foster care for the children served by the program compared to the average and maximize federal funds associated with this pilot program.	Striking current law.			
(3) The agency selected to administer the pilot program will be selected with input from The New Foster Care, Inc. and approved by the executive director of the children's services agency.	Striking current law.

Raise the Age				
Sec. 715. (1) As a condition of receiving funds appropriated in part 1 for raise the age fund, by deadlines established and advised by the department, counties or tribal entities shall have an approved raise the age fund budget plan for the current fiscal year. By March 1 of the current fiscal year, counties must submit the raise the age fund budget plan for the current fiscal year to the department. The raise the age fund budget plan shall specifically identify the types of costs to be reimbursed, estimated costs for each item, and the total estimated cost to be reimbursed. The types of costs to be reimbursed must comply with the requirements of section 117i of the social welfare act, 1939 PA 280, MCL 400.117i, and must not include newly funded capital improvement costs over \$100,000.00. \$500,000.00 of the raise the age fund shall be reserved for tribal entities. If total raise the age fund requests from tribal entities are less than \$500,000.00, the funding may be allocated to meet requests from counties. From the funds appropriated in part 1 for raise the age fund, each county and tribal entity eligible for reimbursement shall receive a minimum \$10,000.00 allocation from the raise the age fund.	Striking current law.			

FY 2023-24	FY 2024-25			
CURRENT LAW	EXECUTIVE	HOUSE	SENATE	CONFERENCE
(2) County and tribal entity reimbursement from the raise the age fund is limited to eligible youth and items specifically identified in approved raise the age fund budget plans and shall not exceed the total estimated cost included in the approved raise the age fund budget plan.	Striking current law.			
(3) Counties and tribal entities must submit amendments to current fiscal year raise the age fund budget plans by deadlines established and advised by the department. Counties must submit current fiscal year payable estimates for raise the age funds to the department by deadlines established and advised by the department.	Striking current law.			
<ul> <li>(4) As used in this section, "eligible youth" includes both of the following:</li> <li>(a) Pre-adjudication eligible youth: A youth for whom a petition has been filed alleging the commission of a status or criminal offense on or after his or her reaching 17 years of age, but before reaching 18 years of age.</li> <li>(b) Post-adjudication eligible youth: A youth who has been adjudicated for a status or criminal offense for which a petition was filed alleging the commission of a status or criminal offense on or after his or her reaching 17 years of age, but before reaching 18 years of age.</li> </ul>	Striking current law.

Primary Care Rates				
Sec. 1801. From the funds appropriated in part 1 for physician services and health plan services, the department shall continue the increase to Medicaid rates for primary care services provided only by primary care providers. Providers performing a service and whose primary practice is as a non-primary-care subspecialty are not eligible for the increase. The department shall establish policies that most effectively limit the increase to primary care providers for primary care services only. As used in this section, "primary care provider" means a physician, or a practitioner working in collaboration with a physician, who is either licensed under part 170 or part 175 of the public health code, 1978 PA 368, MCL 333.17001 to 333.17097 and 333.17501 to 333.17556, and working as a primary care provider in general practice or board-eligible or certified with a specialty designation of family medicine, general internal medicine, or pediatric medicine, or a provider who provides the department with documentation of equivalency.	Sec. 1801. No changes from current law.			
Rural Hospital Payments				
Sec. 1802. (1) From the funds appropriated in part 1 for hospital services and therapy, \$7,995,200.00 in general fund/general purpose revenue shall be provided as lump-sum payments to noncritical access hospitals that qualified for rural hospital access payments in fiscal year 2013-2014 and that provide obstetrical care in the current fiscal year. Payment amounts shall be based on the volume of obstetrical care cases and newborn care cases for all such cases billed by each qualified hospital in the most recent year for which data is available. Payments shall be made by January 1 of the current fiscal year.	Sec. 1802. (1) No changes from current law.
