Overview

The Attorney General (AG) serves as legal counsel for state departments, agencies, boards, commissions, and their officers; brings actions and intervenes in cases on the state's behalf; and represents legislators and judges who may be sued while acting in their official capacities. The Attorney General issues opinions on questions of law submitted by members of the Legislature and others; serves as chief law enforcement officer of the state; and has supervisory powers over all local prosecuting attorneys. The Department's mission is to protect the common legal rights of citizens; defend the Constitution and the laws of the state; and represent the legal interests of government; its goals include offering justice to victims of crime and delivering excellent legal services at a minimum cost to taxpayers.

Overview

The Department of Information Technology (DIT) acts as a general contractor between the state's information technology (IT) users and private sector providers of IT products and services: application development and maintenance; desktop, mainframe, server, and local area network computer support and management; contract, project, and procurement planning; telecommunication services; security; and software and software licensing. The DIT uses existing technology funds and state employees from within the other 19 executive branch departments and agencies. Each state department and agency requests spending authority to fund IT-related activities and pays for technology services rendered by DIT through an interdepartmental grant; administration of fund sources remains with each state department/agency.

Overview

This budget provides funding for the Legislative branch of state government, including the Legislative Council and agencies it governs, the Legislative Retirement System, and Property Management. The Legislative Council provides a wide variety of essential services to members and staff of the Legislature. The Michigan Legislative Retirement System provides retirement allowances, survivors' allowances, and other benefits for members of the Legislature and their spouses, dependents, survivors, and beneficiaries. Property Management employees maintain, operate, and repair the Capitol Building, House of Representatives Office Building, and Farnum Building.

Overview

The Office of the Legislative Auditor General is responsible for conducting post financial and performance audits of state government operations. Audit reports provide a continuing flow of information to assist the Legislature in its oversight of approximately 100 individual state funds. Audit reports provide citizens with a measure of accountability and assist state departments and agencies in improving financial management of their operations. The goal of the Office of the Legislative Auditor General is to improve accounting and financial reporting practices and promote effectiveness, efficiency, and economy in state government; its mission is to improve the accountability of public funds and to improve the operations of state government for the benefit of the citizens of the state.

Overview

The Department of Treasury is the chief fiscal agency of the state and the primary source of advice to the Governor on tax and fiscal policy issues. The Department's mission is to collect state taxes, to invest, control, and disburse state monies, and to protect the state's credit rating and that of its cities. The Department manages one of the nation's largest pension funds, administers revenue sharing, and administers the student financial aid programs. It also investigates fraudulent financial activity, provides assistance on all property tax-related issues, advises issuers of municipal obligations. The Bureau of State Lottery, the Michigan Gaming Control Board (MGCB), and the Michigan Strategic Fund (MSF) are autonomous agencies housed within the Department of Treasury. Funds and programs of the MSF are administered by the Michigan Economic Development Corporation (MEDC), which also administers the 21st Century Jobs Fund.
