October 6, 2015

Dear Community Leaders,

All About Animals Rescue supports the following proposed legislation and pet store program. We would like Michigan community leaders to encourage humane pet acquisitions through shelters and foster-based animal rescue organizations.

The Large Scale Commercial Dog Breeder Act SB 339 and HB 4898 will help to curb puppy mills in the state.

The Humane Pet Acquisition Ordinance to prohibit the retail sale of dogs, cats, rabbits, ferrets, long-lived birds and large reptiles in local communities, and to protect families from irresponsible pet retailers. The Puppy Friendly Pet Store program encourages pet supply stores to make an official policy not to sell puppies or kittens.

AAAR is a 501(c)(3) nonprofit organization. Our mission is no more homeless pets and we are accomplishing that primarily by providing spay/neuter services to pet owners. We operate a high volume, high quality, low cost stationary in Warren Michigan with Wellness clinics in Detroit, Auburn Hills and Warren. Our Mobile Surgery Unit also goes across the State of Michigan to provide onsite spay/neuter options for underserved areas. We spay/neuter approximately 22,000 dogs and cats a year and serve another 30,000 pets through our Wellness services. We also have an adoption program to help homeless cats and dogs.

The shelters and rescues in Michigan are overflowing with pets that desperately need homes so strongly encourage people looking for a new family member to adopt from their local rescue or shelter.

Thank you,

Amber Sitko, Founder and President
