PACE
SOUTHEAST MICHIGAN
keeping seniors independent

Presentation to Families, Children & Seniors Committee

May 25, 2016

Laurie Arora, Director of Public Affairs and Philanthropy

PACE Southeast Michigan Keeps Seniors Independent

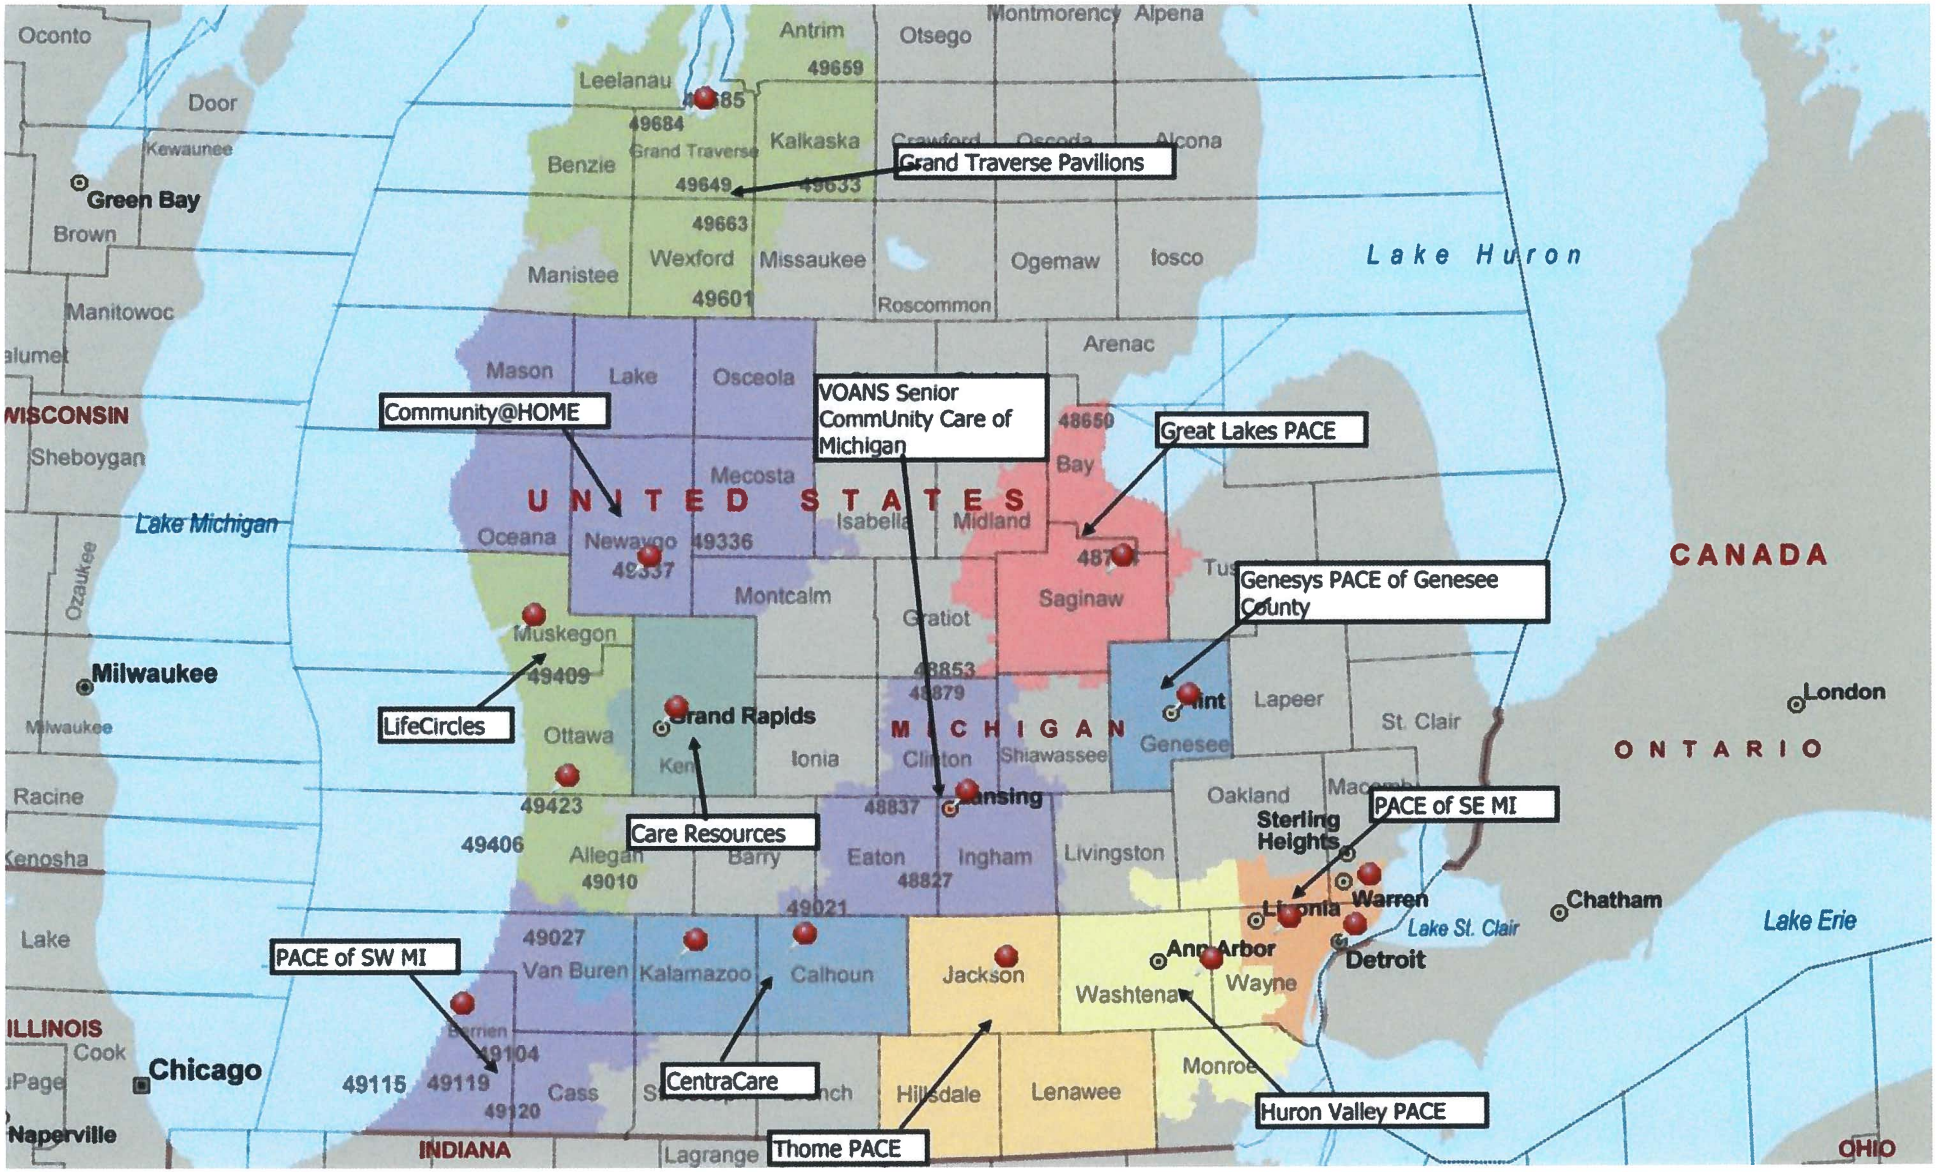
- National CMS program, began 20 years ago
- Health plan AND health care provider
- **PURPOSE:** Enables PACE participants to age in place **in their own home**
- **Comprehensive and coordinated care model**

We welcome participants who meet eligibility requirements

- Individual must be 55 years of age
- Qualify for nursing home level of care
- Live within PACE Southeast service area
- Capable of living safely at home with support from PACE Southeast Michigan

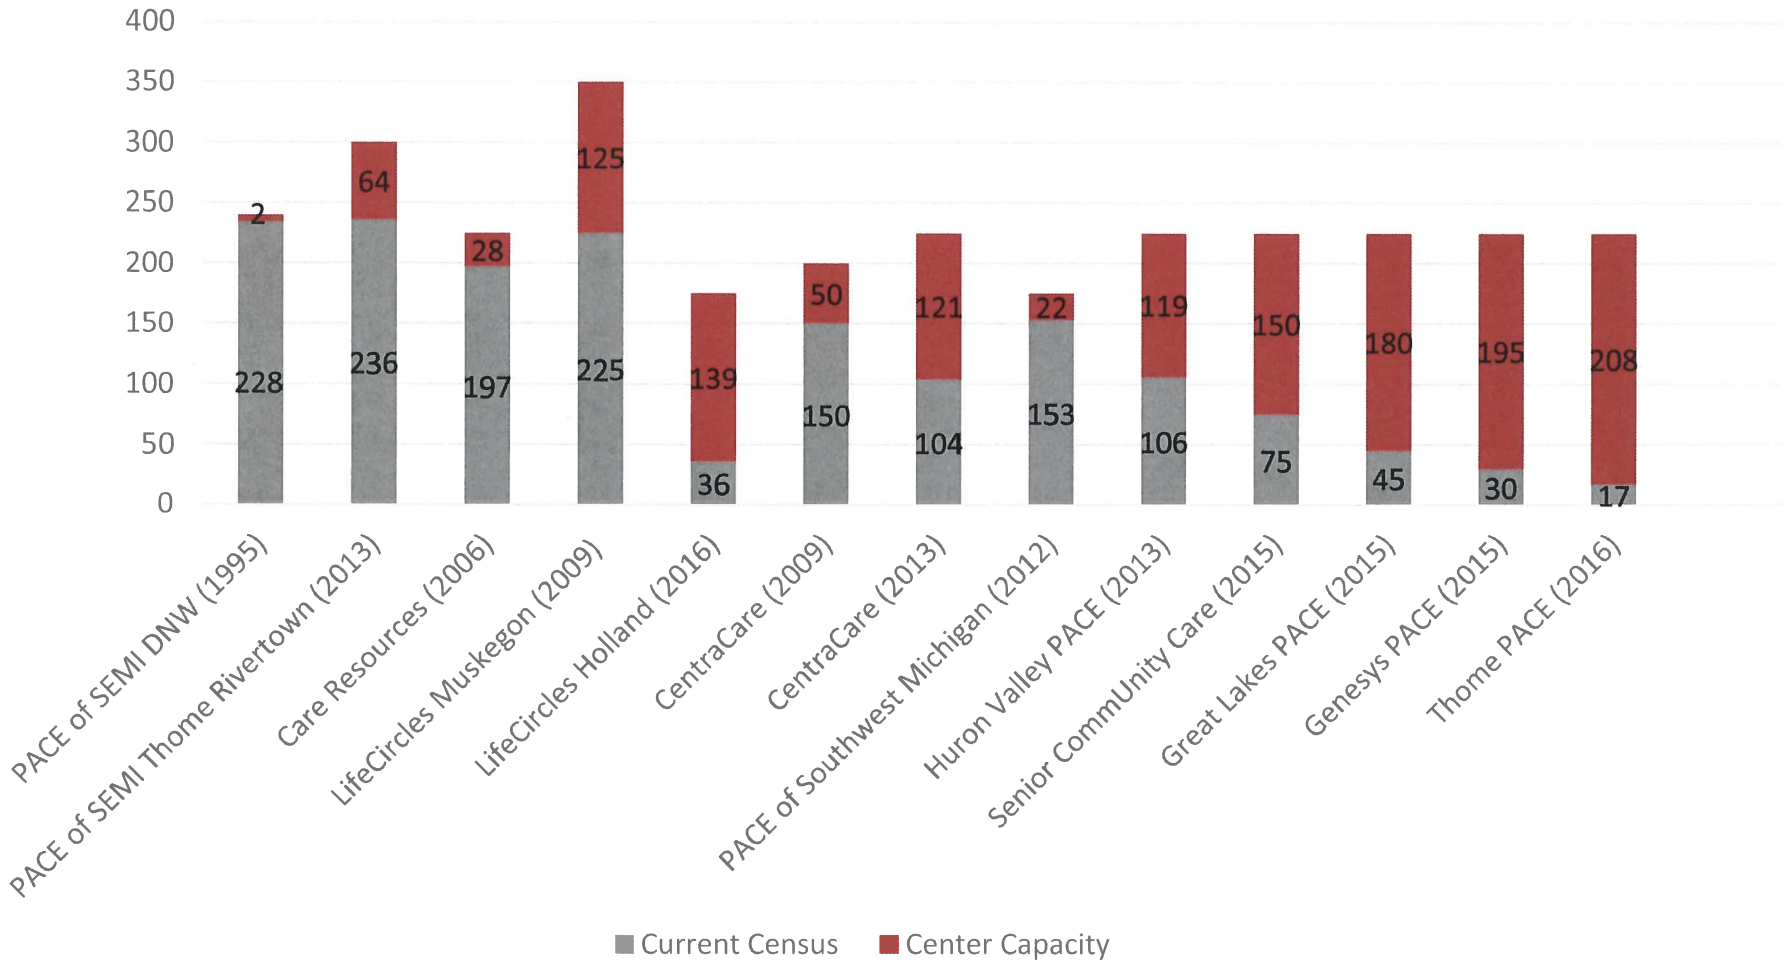
The PACE Southeast Michigan has three locations to care for seniors

- Detroit Northwest – Outer Drive & Southfield Rd.
- Thome Rivertown Neighborhood – McDougall
- Warren Alternative Care Setting - Schoenherr



PACE Programs in Michigan

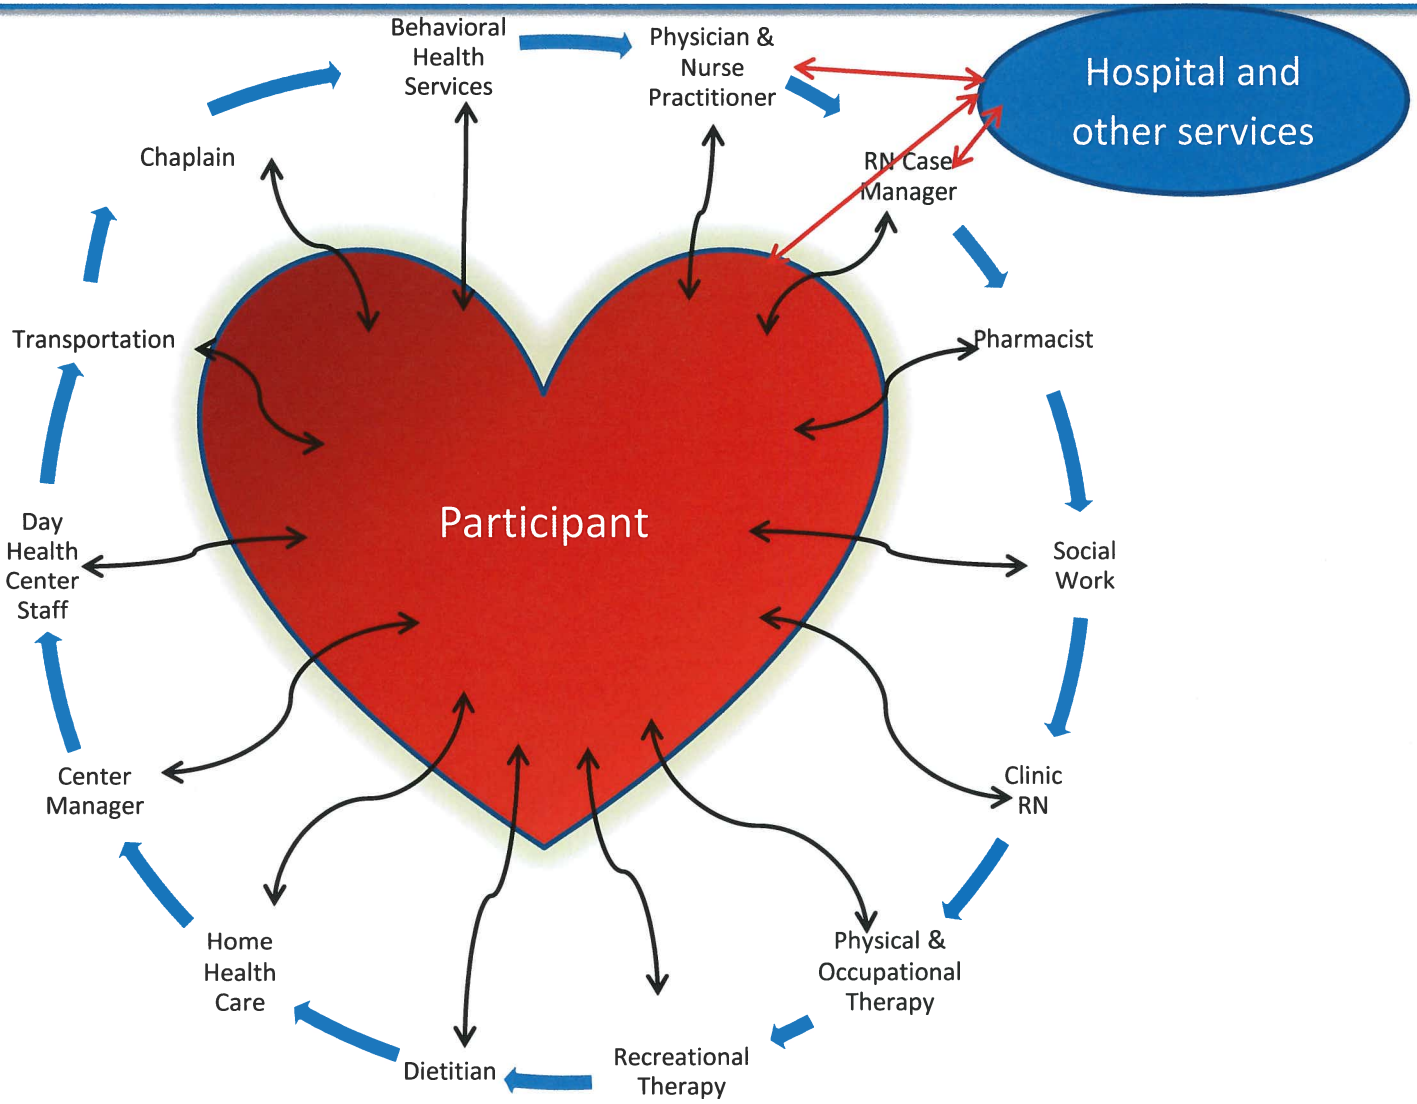
Michigan PACE Current Enrollment and Capacity per Center as of April, 2016



The PACE difference means high-quality care

- Partner with participant and caregiver to maintain a level of independence to remain at home and age in place
- Socialization at Day Health Center/Friendship Park
- Individualized plan of care surrounded by a comprehensive care model
- Access to medical team 24/7, on-site clinic, very strong Primary Care

Comprehensive, integrated-care model revolves around participant



PACE Southeast Michigan offers many additional services

- On-call 24-hour physician coverage, 365 days/year

PACE
SOUTHEAST MICHIGAN
keeping seniors independent

Our Day Health Center provides engagement and respite

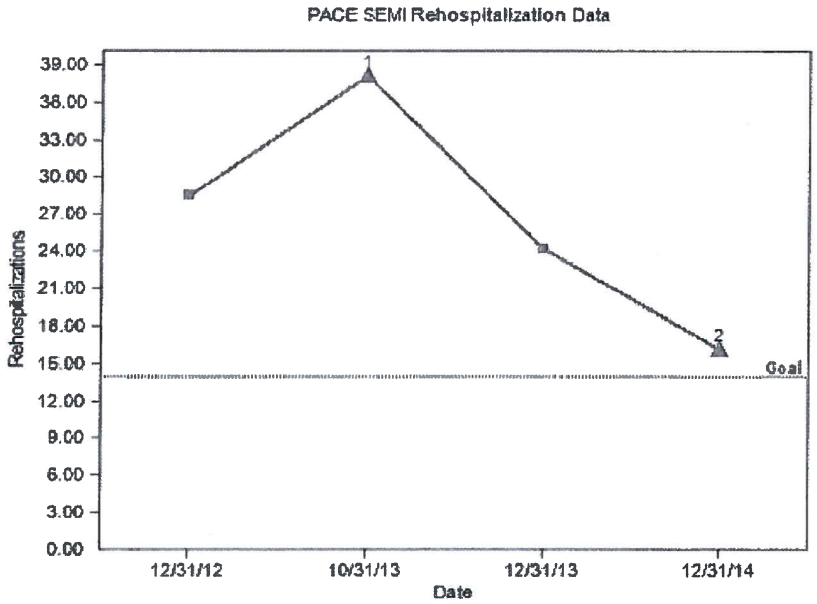
PACE Southeast Michigan adds no additional cost for dual eligibles

- All Center approved services are at **no cost** to seniors who are Medicaid eligible

- Those not eligible for Medicaid can pay privately

- PACE Southeast Michigan has a DHS worker on-site/on-staff as well as an eligibility specialist to help with Medicaid applications. PACE Southeast Michigan assists families/participants with redetermination paperwork annually to keep Medicaid active

PACE Southeast Michigan achieves better outcomes due to care model



- 30-day readmission: 15% (PACE SEMI) vs. 19.0 % (PACE) vs. 22.9% (national population of dual eligible)

- Rate of hospitalizations: 5.4%(PACE) vs. 9.6% (dual eligible, Disabled waiver)

- PACE : Hospitalizations and readmissions - 44% lower than dual eligible nursing home population

J Am Geriatr Soc 62: 320-324,2014

Better care at a lower cost - saving tax-payer dollars

- $2,800/month, on average, for chronically ill senior in PACE program (Wayne County)

vs.

- $8,000/month, on average, for senior in nursing home (Wayne County)

Thank you for your continued support
